

DEPARTMENT OF THE NAVY  
NAVAL SHIP SYSTEMS COMMAND  
WASHINGTON, D.C. 20360

IN REPLY REFER TO

CONTRACT N00024-69-C0038

FOR THE DONATION OF  
THE USS DRUM (ex-AGSS-228)

THIS CONTRACT, entered into this 14th day of April 1969 by and between the UNITED STATES OF AMERICA (hereinafter called the "Government"), represented by the Department of the Navy, and the STATE OF ALABAMA represented by the USS ALABAMA BATTLESHIP COMMISSION (hereinafter referred to as the "DONEE");

WITNESSETH:

WHEREAS, the Act of August 10, 1956 (P. L. 1028, 84th Congress), 10 U.S.C. 7308, authorizes the Secretary of the Navy to transfer by gift or otherwise, on terms prescribed by him, any obsolete vessel of the Navy to any State, municipal corporation of the United States, or any corporation or association whose Charter denies it the right to operate for profit; and

WHEREAS, the DONEE has applied for donation of the obsolete submarine, USS DRUM (ex-AGSS-228) (hereinafter sometimes called the "Vessel") and has indicated its intention to preserve and exhibit the Vessel; and

WHEREAS, the DONEE agrees to and undertakes the obligation to make and keep the Vessel safe and presentable for public exhibition and inspection, at no expense to the Government; and

WHEREAS, pursuant to 10 U.S.C. 7308, notice of the proposed transfer has been duly sent to the Congress, sixty calendar days of continuous session have

expired since then, and no resolution has been passed by the Congress stating in substance that it does not favor the proposed transfer.

NOW THEREFORE, the Government agrees to transfer the Vessel to the DONEE and the DONEE agrees to accept the Vessel subject to the following terms and conditions:

1. The Government shall, subject to the provisions of paragraph 5, (i) deliver the Vessel to the DONEE at the Naval Inactive Ship Maintenance Facility, Norfolk, Virginia, on an "as is, where is" basis and without warranty of any kind, and (ii) notify the DONEE of the delivery date sufficiently in advance thereof to enable the DONEE to make necessary arrangements for acceptance of delivery.
2. The DONEE shall:
  - (a) Accept the Vessel upon delivery by the Department of the Navy.
  - (b) Establish the Vessel, on a non-profit basis, as a public memorial and exhibit at a suitable site at Mobile, Alabama, and maintain the Vessel in such a manner that it (i) will not cast discredit upon the Navy or upon the proud tradition of this historic Vessel, and (ii) will not allow the Vessel to become a menace to navigation, public health or safety.
  - (c) Maintain the Vessel in condition, satisfactory to the Department of the Navy. To that end the DONEE shall diligently pursue to completion at the earliest practicable date the construction and installation of a permanent mooring arrangement acceptable to the Navy. The maintenance obligations assumed by the DONEE shall include but shall not be limited to (i) the performance of all necessary painting and cleaning of exterior surfaces and interior

compartments and passageways open to the public, (ii) the provision and maintenance in all public and private spaces of such handrails, warning signs, fire protection, lighting and ventilation systems and other safety devices as are necessary to insure the safety of the visiting public and of maintenance personnel aboard the Vessel, (iii) the assurance of the watertight integrity of the hull while the Vessel is afloat, (iv) the provision and maintenance of safe and efficient means of access and egress, (v) the provision and maintenance of suitable additional sanitary facilities for visitors, which facilities may be aboard the Vessel or near the gangway ashore, and (vi) such other safety and maintenance work as the Government may determine to be reasonably necessary. All the obligations hereunder shall be performed by the DONEE at its own expense and without reimbursement or contribution by the Government. All work performed hereunder shall be subject to the approval of the Supervisor of Shipbuilding, Conversion and Repair, USN, Jacksonville, Florida.

(d) Procure and maintain, at its own expense without reimbursement or contribution by the Government, from and after the delivery of the Vessel, Broad Form Tower's Liability insurance including Tower's negligent damage to the Vessel during any tow, and Marine Hull and Protection and Indemnity liabilities insurance all in an amount not less than \$150,000 to cover the Vessel so long as the Vessel is waterborne, or \$150,000 of Fire and Extended Coverage insurance including risks of vandalism and malicious mischief while the Vessel is land based or securely moored alongside a pier in a manner acceptable to the Navy. The DONEE shall procure and maintain at all times third party bodily injury liability insurance in the amount of \$300,000 for all claims and \$100,000 for any one single claim. All such insurance shall, as to form and

insurers, be subject to the approval of the Insurance Branch, Naval Material Command, Department of the Navy, Washington, D. C. 20360.

(e) Present evidence satisfactory to the Government that, prior to the delivery of the Vessel, the DONEE has the financial means necessary to assure accomplishment of all the obligations hereunder.

(f) Prohibit members of the general public from visiting aboard the Vessel prior to the accomplishment of all work necessary to make the Vessel safe and presentable for public inspection, except as may be authorized by the Supervisor of Shipbuilding, Conversion and Repair, USN, Jacksonville, Florida prior to the completion of such work.

(g) Not transfer or otherwise dispose of the Vessel or any part thereof or any interest therein without the prior consent of the Secretary of the Navy or his duly authorized representative.

(h) Indemnify and hold harmless the United States Government, its agents, or employees, against all suits, actions, claims, costs, fees and demands (including without limitation suits, actions, claims, costs, fees and demands for death, personal injury or property damage) to which the Government, its agents or instrumentalities, or their agents or employees, may be subject by reason of damage or injury (including death) to the property or person of anyone resulting or alleged to have arisen or resulted from the fault, negligence, wrongful act or omission of the Government, its agents or instrumentalities, or their agents or employees, in the berthing, preparation for use, repairing, restoration or any other use of the Vessel originating after delivery of the Vessel to the DONEE.

### 3. Non-Discrimination

The DONEE acknowledges that it has executed and furnished to the Government representative of this contract, Navy Form NAVSO 5350/1 (5-65) "Assurance of Compliance with the Department of Defense Directive under Title VI of the Civil Rights Act of 1964", and that it has read the explanation of the Department of Defense accompanying said Navy form. That all sanctions imposed and actions taken as a result of non-compliance therewith shall be in accordance with DOD Directive 5500.11, dated December 28, 1968, "Non-Discrimination in Federally Assisted Programs".

4. In the event that the Vessel is lost or destroyed prior to the time of transfer, by fire, shipwreck, act of Providence or of a foreign power or by any other means whatsoever, whether by negligence on the part of the Government, or not, this Agreement shall become void and of no effect.

5. Upon delivery to and acceptance by the DONEE, title to the Vessel shall vest in the DONEE and title shall remain in the DONEE until transferred under Article 2(g) or Article 9 of this contract.

6. The Government shall not be liable to the DONEE in any manner whatsoever for damages or otherwise on account of delayed delivery or non-delivery of the Vessel or for any other reason.

7. No expense shall result to the Government as a consequence of the transfer of the Vessel to the DONEE or as a consequence of the terms and conditions prescribed hereunder.

8. Except as otherwise provided in this contract, any dispute concerning a question of fact arising under this contract which is not disposed

of by agreement shall be decided by the Commander, Naval Ship Systems Command, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to the DONEE. The decision of the Commander, Naval Ship Systems Command shall be final and conclusive unless, within 30 days from the date of receipt of such copy, the DONEE mails or otherwise furnishes to the Commander, Naval Ship Systems Command a written appeal addressed to the Secretary. The decision of the Secretary or his duly authorized representative for the determination of such appeals shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith, or not supported by substantial evidence. In connection with any appeal proceeding under this clause, the DONEE shall be afforded an opportunity to be heard and to offer evidence in support of its appeal. Pending final decision of a dispute hereunder, the DONEE shall proceed diligently with the performance of the contract and in accordance with the decision of the Commander, Naval Ship Systems Command.

9. The Government may, during a national emergency, request the DONEE to return the Vessel and the DONEE shall, if and when requested to do so, return the Vessel to the Government. In the event the DONEE, or their assigns, shall fail to perform the obligations assumed under this Contract, the Secretary of the Navy or his duly authorized representative may terminate this contract, provided that written notice to terminate, specifying the particulars wherein it is claimed that this Contract has been violated, is transmitted, by registered mail, to the DONEE. The DONEE shall have ninety (90) days from receipt of the above-mentioned written notice to cure the violations or deficiencies set forth in said notice. If, at the end of such

time, it appears to the Secretary of the Navy, or his duly authorized representative, that the same have not been cured, then the contract shall be deemed to be terminated, in which event the DONEE shall forfeit to the Government any and all rights it may have in the Vessel, including any improvements made to the Vessel by the DONEE as the Secretary of the Navy or his duly authorized representative may decide, and shall transfer title to the Government if the Secretary of the Navy or his duly authorized representative so directs.

10. The term "Government" means the Secretary, Under Secretary or Assistant Secretary of the Navy, the Commander, Naval Ship Systems Command, and any other duly authorized representative, acting within the limits of his authority, that the aforespecified officials may appoint.

IN WITNESS WHEREOF, the parties hereto have duly executed this contract  
as of the date first above written.
